The Left 4 Dead series had some of the most popular co-op games on Steam for some time. Millions of gamers played these games on their Steam accounts, but they would constantly have to go to the store every few days and buy a new copy of the game. After Valve's scandal with EA, it shut down transfer rights for all copies of games on Steam. This left many gamers feeling abandoned by Valve one again, but thankfully there is a good answer out there that can fix these problems that Left 4 Dead 2 NoSteam Crack offers.
