i am an air traffic controller 3 all airports torrent download - Download Air Traffic Controller 3: All Airports is a remarkable looking simulation that brings the world of managing a busy airport to life, and comes highly recommended. In this installment of the Air Traffic Controller series, you get to take control of 3 different airports. You can also choose your level of difficulty from Easy or Normal to Hard or Extreme. Each airport has been made true to life with detailed live weather features and accurate aircraft models for a realistic player experience. However, if you want more challenging features, there are also 11 user-created scenarios which you can also play. Other notable features include user-created scenarios, night lighting, dynamic light effects on all surfaces, camera access to the exterior of the airport including the runway and taxiway lights, mission control center where you get to manage traffic flows for each airport's runway and taxi ways. Runway repair/straightening for all airports is also available to be performed at anytime in the game via your assigned technician. Air Traffic Controller 3: All Airports is easy to learn but difficult to master with its realistic simulation feature that gives you a true feel of managing an air traffic control tower in real life. The game also features a lifelike sound effects and animation, allowing you to control your air traffic control tower in the comfort of your home. The game also supports multiple languages (English, Spanish, German). The game is compatible with Windows XP/Vista/7 32-bit versions. i am an air traffic controller 3 all airports torrent download - Download i am an air traffic controller 3 all airports torrent download - Download i am an air traffic controller 3 all airports torrent download - Download i am an air traffic controller 3 all airports torrent download , Download i am an air traffic controller 3 all airports torrent download - Host File Sharing Network Free Games Torrents Downloads.Download.torrent.For.Free.
